

Evolution Designs Group Privacy Policy

Evolution Designs Group explicitly asks when it needs information that personally identifies you ("Personal Information") for any reason, such as for on-line shopping. If you have given us your personal information, Evolution Designs Group keeps all of your Personal Information private and does not share it with any third parties, except under non-disclosure agreements. Evolution Designs Group will not disclose your Personal Information unless acting under a good faith belief that such action is necessary to conform to legal requirements or comply with legal process or protect and defend the rights or property Evolution Designs Group. Evolution Designs Group will not send you any unsolicited information, including email.

Evolution Designs Group collects IP addresses for the purposes of system administration and to report aggregate information. An IP address is a number that's automatically assigned to your computer whenever you're surfing the web. Web servers – the big computers that "serve" up web pages – automatically identify your computer by its IP address. When you request a page from the Evolution Designs Group sites, our servers log your IP address. We do not link IP addresses to anything personally identifiable. This means that your session will be logged, but you remain anonymous to us.

Cookies are pieces of information that a web site transfers to an individual's hard drive for record keeping purposes. Cookies make web-surfing easier for you by saving your passwords, purchases, and preferences while you're at our site. The use of cookies is an Industry standard, and you'll find cookies at most major web sites.

By showing how and when you use the site, cookies help us see which areas are popular and which are not. Many improvements and updates to the site are based on such data as total number of visitors and pages viewed. This information is most easily tracked with cookies. The Evolution Designs Group sites never use cookies to retrieve information from your computer that was not originally sent in a cookie. The Evolution Designs Group sites do not use cookies to identify specific individuals, except in such cases as online shopping or contest registration. Most browsers are initially set to accept cookies. If you'd prefer, you can set yours to refuse cookies or to alert you when cookies are being sent.

You should be aware that when you are on the Evolution Designs Group sites, you could be directed to other sites that are beyond our control. These other sites may send their own cookies to users, collect data or solicit personal information. Always be aware of where you end up.

By using our sites, you signify your assent to the Evolution Designs Group Online Privacy Policy. If you do not agree to this policy, please do not use our sites. Your continued use of the Evolution Designs Group sites following the posting of changes to these terms will mean you accept those changes. If at any time you believe that Evolution Designs Group has not adhered to these policies, please notify us by email. support@evolutiondesignsgroup.com
